

Your Body,  
Only Better.

Be Selective.

**The Next Generation of Body Contouring is here.**

Whether you want to get rid of a small problem area or are looking for a major transformation, VASER® Lipo can help. VASER Lipo uses advanced ultrasound technology to gently reshape your body by selectively removing unwanted fat deposits. The result? A smooth new shape with minimal pain and fast recovery. Find out why so many people are choosing VASER Lipo. Visit us at [www.VASER.com](http://www.VASER.com) to locate a physician in your area.
